

GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA

ELECTRICAL ENGINEERING DEPARTMENT

Ref. No. EE-455

Dated:04.06.2020

As approved by the competent authority because of the prevailing lockdown conditions due to COVID-19 the software training has been arranged for the B.Tech. (Electrical Engineering) students of 2nd semester and 4th semester in lieu of their summer workshop/industrial training. The detail of the trainings is as below:-

2nd Semester

Course Code	Course	Courses to be Covered (Both are compulsory)	Training Coordinator	Video Lectures available at
TR101	Training I	C and Cpp	Pf. Shivani Arora (contact: 9915037200)	https://spoken-tutorial.org
		ExpEYES	Dr. Arvind Dhingra (contact: 9814163429)	https://spoken-tutorial.org

4th Semester

Course Code	Course	Courses to be Covered (Both are compulsory)	Training Coordinator	Video Lectures available at
TR102	Training II	Arduino	Pf. Amandeep Singh (contact: 7973005200)	https://spoken-tutorial.org
		eSim	Pf. Sonia Grover (contact: 9780565501)	https://spoken-tutorial.org

All students are required to go through the video lectures related to the courses available at spoken tutorial website of IIT, Bombay.

The training coordinators will do time to time interactions with the students through <https://guru.gndec.ac.in>

All the software as mentioned above are to be learned by the students and the training report has to be prepared accordingly.

Note: This is compulsory for all students of 2nd semester and 4th semester. Training marks will be awarded on the basis of your performance.

Training start date: June 8, 2020

Training completion date: July 8, 2020

In case of any problem, the student can contact the respective Training Coordinator over phone/ email.
