M.Tech (Power & Electrical Engg) Notice

A presentation of pre-thesis project was scheduled for 3.12.2021 in which very few students appeared. The students are now required to appear before the department research committee with their pre thesis project presentations and projects (whatever has been done till date) on 17.12.2021 at 1.30PM in Electrical Drives Lab. This presentation carries marks towards final pre thesis project assessment, so attendance is compulsory.
