Dated: 16.10.19

Campus Placement Drive by Samsung

This is to inform the students of B.Tech (CSE/IT/EE/ECE) & M.Tech (CSE) that Samsung is going to conduct the campus placement drive. The details for the same are as follows:

Date of the Drive: 17th & 18th Oct 2019 Venue: GNDEC Auditorium Reporting Time: 08.30 AM Sharp.

About Samsung : Samsung R&D Institute India, Noida(also known as SRI - Noida), established in 2007, is one of the 29 global Research and Development of Samsung Electronics Co. Ltd. SRI-Noida focuses on software development and testing for Samsung Electronics, in a variety of areas related to Mobile phones. SRI- Noida emphasis on innovation through Research and Development is essential to keep itself ahead and remain a market leader in the current era of stiff competition. In order to inculcate a culture of global as well as local innovation, Samsung has a number of R&D centres strategically spread across the globe. India is amongst the hotspots of Samsung's innovation strategy.

SRI- Noida is the one of the largest Overseas R&D Centre of Samsung Electronics and has grown to be a significant contributor to innovation, filing patents, working on innovative products and services and developing applications like the S-Bike mode, turbo speed technology etc.
