Dated 17/11/06

Ref. No. RK-95/5285

This agreement is made between the Principal, Guru Nanak Dev Engineering College, Ludhiana, and

JINDAL ELECTRICALS LUDHIANA

That both the parties accordingly hereby enter into the memorandum of understanding as set out in the following:

1. Would exchange information and data on training and skill requirements and their relationship to emerging Industrial needs in Industry and matters relating to training and skills developments.
2. Would encourage and facilitate co-operation between individual company and Engg. College on one to the one basis.
3. Shall work together in matter relating to make training and education relevant to the changing technological need including design, development, implementation and review to the curriculum and the resource material.
4. Would co-operate in selection and development of faculty of the concerned Engg. College who shall be given the necessary autonomy to ensure such a co-operation.
5. Would exchange faculty between the Engg. College and Industry to improve the quality of training.
6. Would encourage Engg. College and industrial organisation to undertake joint projects to solve specific Industrial problems.
7. Would jointly plan continuing education programmes to keep the practising engineers and faculty abreast of developments in their respective fields.
8. Would organise joint workshop/seminars in the field of Technical Education and Industrial Training to promote innovation, optimisation of resources, penetration in frontier areas and allied issues of mutual interest.
9. Would jointly arrange guest lectures from Engg. College and Industry to broaden understanding.
10. Would organise visits by students and faculty to Industrial units of engineers/managers from Industry to Engg. College to increase interaction subject to mutual convenience.
11. Would jointly monitor the performance of the collaboration between Engg. College and the Industrial organisation.
12. Shall set up a collaborative working group which would provide policy direction to these interactive efforts between Engg. College, Ludhiana and Industry.
13. Will review quarterly the status of this memorandum and adopt steps and measures necessary to further the objectives of the memorandum.

GENERAL COOPERATION AGREEMENT
Between
GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA,
and
SANT BABA BHAG SINGH COLLEGE OF ENGG. &
TECHNOLOGY, PADHIANA (JALANDHAR)

Preamble

GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA and SANT BABA BHAG SINGH COLLEGE OF ENGINEERING & TECHNOLOGY, PADHIANA (JALANDHAR) establish this General Cooperation Agreement to enhance relations between the two Institutions and further development of knowledge and exchange of knowledge. The two institutions hope to promote cooperation in such areas as *exchange of expertise, training, seminars, study programmes, collaborative training's and other joint endeavors according to the principles of reciprocity, common understanding and mutual benefit.*

Provisions

1. **Objectives:** The objective of this Agreement is to provide a framework with which these Colleges and the various departments may establish more close relationship, projects and plans concerning activities of mutual interest of the both.
2. **Activities:** Example of the activities to be encouraged by this Agreement include, but are not limited to the following:-
 - Exchange of expertise
 - Exchange of study material
 - Training of students
 - Cooperation in the planning and implementation of joint projects
 - Cooperation in programmes of research
3. **Implementation:** Both partners of this agreement will identify the benefits of each other and enter into the collaborative activities in areas of common as well as complementary strengths.
4. **Funding and financing agreements:** Implementation of special collaborative programme will depend upon the availability of fund. Financial requirements between the parties may vary depending upon entering of specific activities. No financial commitment or obligations are being undertaken attendant to this General Agreement.

5. Contact Persons

For purpose of implementing this Agreement, the contact person will be :

FOR SANT BABA BHAG SINGH OF ENGG. & TECH

The Director
Guru Nanak Dev Engineering College,
Ludhiana

We are approx 15 years old organisation in the trade of Retail Fixtures/Furniture Manufacturing, and have a state of the art Metal & wood Fabrication facility right in Delhi Haryana Border close to Narela.

Recently we have diversified into manufacturing of Battery operated Electric Rickshaw. We are manufacturing & marketing our vehicle by the name of Rocket electric Rickshaw, since approx one Year.

We are very eager to conduct R&D on the Battery operated Electric Rickshaw for further improving the utility and efficiency of the product; Since it's a new age non polluting and eco friendly vehicle, and also helps in generating self employment for the needy persons with minimum human effort.

We hereby seek your help in taking the technology available today to the next possible level and would really appreciate if you can involve your expertise for conducting R&D on this product.

We shall provide one E-Rickshaw to your institution to conduct R&D on the product.

Looking forward to a mutually benefiting and strong professional relationship.

Thanks & Regards,

Mandeep Singh
