

Guru Nanak Dev Engineering College, Ludhiana
Electrical Engineering Department

Ref. No. EE/543

Dated: 03.08.2020

Notice (Revised)

Due to pandemic (Covid-19), B.Tech.(Electrical Engineering) students of batch 2017-2021, who are going on six month industrial training in 7th semester, can opt for physical or online training. In case of online mode, training can be undergone in two/three modules. The duration of each module can vary from six to twelve weeks. Total duration of online/offline training should not be less than eighteen weeks.

In addition to above, it is compulsory to successfully complete one MOOCs/NPTEL/other online course of at least 40 hours during their training semester by the students.

The students should get approval from the Departmental Training Coordinators (duly endorsed by T&P cell) before undergoing any online/offline training module and online course.
