

DEPARTMENT OF ELECTRICAL ENGINEERING

Following subjects have been allocated as Electives/ Open Electives/ Department Electives for the students of D3EE and D4EE.

D3EE (6th Sem)

| | | | |
|-------------------|--------------------|------------|--|
| Elective I | Section A (D3EE A) | DEEE 14602 | Computer Aided Electrical Machine Design |
| Elective I | Section B (D3EE B) | DEEE 14601 | Power System Operation & Control |

D4EE (8th Sem)

| | | | |
|---------------------|---------------------------------------|------------|---------------------------------------|
| Elective III | D4EE B (odd university roll numbers) | DEEE 14802 | Power System Planning |
| Elective III | D4EE B (even university roll numbers) | DEEE 14804 | System Engineering And Reliability |
| Elective IV | D4EE B (odd university roll numbers) | DEEE-14808 | Flexible AC Transmission Systems |
| Elective IV | D4EE B (even university roll numbers) | DEEE-14810 | Energy Efficient Machines |
